

Vector® H Series Multi-Cook Oven

CE Certified

ALTO-SHAAM

Providing an unmatched volume and variety of food, compact and ventless Vector H Series countertop models are specifically designed for foodservice operations where space is at a premium, but food demand is high.

Featuring up to four independent oven chambers, operators can control the temperature, fan speed and cook time in each individual chamber for maximum flexibility – simultaneously cooking a variety of menu items with no flavor transfer.

Exclusive Structured Air Technology® delivers focused heat for faster, more even cooking and consistent, high-quality results.

Reduce labor by eliminating extra steps in food production and the need to watch and rotate pans.

Place anywhere with a small, 533mm footprint and ventless, waterless operation.

An advanced control – designed intentionally simple – features an intuitive, user-friendly interface and programmable recipes to ensure consistency with each cook.

Custom colors available for enhanced branding and a front-of-house experience for customers.

ISO 9001:2015-certified
