Liquid detergents. Ideal for sites with medium-high dirt level.

C20 ExtraStrong detergent for ovens

C21 ExtraStrong Rinse aid for ovens

Connection kit

Cleaning

Rinse Aid

Code	Description
922618	External connection kit for liquid detergent/rinse aid
0S2282	C20 ExtraStrong detergent for ovens; 2 x 5l
0S2283	C21 ExtraStrong rinse aid for ovens; 2 x 5l

⚠ With liquid detergents

In order to ensure reliability and performance of your oven, then frequent descaling treatment in accordance with our recommended cleaning intervals should be undertaken, using the C25 Rinse & Descale tab. We also recommend that incoming water is treated accordingly through a dedicated filtering system.

Excellence

with the environment in mind

- ▶ All our factories are ISO 14001-certified
